Testimony from Home!

Baltimory, Sept. 11, 1851.

Messrs. Mortimer & Mowbray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's Tincture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph R. Stapleton, eaq., an old and highly respectable eltizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a failing state of health, but now a hearty, hale appearance, with the activity of youth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and an as active as I was twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.

I do assert it is no humbug, but is, in reality, what it is represented to be by Dr. Hampton, the inventor.

Wonderful Cure of Hereditary Scrofula by Hampton's Vegetable Tincture!

This certificate is from the pen of a gentleman whose name appears on the journal of Congress, one who is extensively and favorably known:

"It affords me pleasure to state that Dr. Jesse Hampton's
Tincture has effected a most extraordinary cure of my slave
boy, Albert. The patient was three years old, and had the
Scrofula—(his father was scrofulous.) The boy was a moving
mass of sores from head to foot; the upper lids of the eyes
were much swollen, and turned inside out, exhibiting horriwere much swolen, and turned inside out, exhibiting norrible mattering ulcers that protruded over the eye-balls so as to produce blindness. It is strange, yet true, this child, that I felt resigned to see die as a relief from suffering, has been restored to health under the treatment of Dr. Hampton.

Portsmouth, Va., Aug. 18, 1851.

Mr. J. B. Boush—Dear sir: While I am, in general, opposed to patent medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family: and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am, respectfully, yours,

Chaplain United States Navy.

Still another Witness for "Hampton's Vegetable Tincture!"

This certificate is from one of our largest and most enter-prising farmers—the owner of those splendid oxen exhibited at the late Agricultural Fair, and who, in person, did the ploughing, with the same, that took the premium. We mention this, as, before Mr. Horne took the Tincture, his condition was such as to despair of even visiting the Fair, much less taking such a laborious part as he did, to the astonishment of those who had seen his state a short time before: BALTIMORE, Feb. 4, 1852.

Messrs. Mortimer & Mowbray—Gents: Having been afflicted with Chronic Inflammatory Rheumatism for some time, in its worst form, I tried every remedy that came within my reach, without any success; in fact, my sufferings increased with every new remedy I tried, until I was scarcely able to walk, from the dreadful pains and swelling in my limbs. I had also an ulcer formed on my right wrist, which gave me intense pain. searcely hole to wait, from the dream pains and swelling in my limbs. When in this condition, Mr. Scott, Conductor on the Susquehanna Railroad, with several others, called my attention to the many wonderful cures made by Hampton's Vegetable Tincture. I determined to give it a trial, as a last resort. You well remember my sufferings at the time I got the Tincture from you—they were almost past endurance. I am happy now to inform you that, in a short time after taking it, I was relieved from pain, and could walk without difficulty, and in about four weeks I was enabled to take part in the ploughing match at our late Agricultural Fair. The ulcer on my wrist is now entirely cured, and I am in the enjoyment of the very best health, with no symptoms of my old disease; all of which I feel bound to say I owe to the great healing and restorative qualities of Hampton's Vegereat healing and restorative qualities of Hampton's Veg

My great confidence in it has induced me to recommend it to others, and I have also seen its good effects in a num-ber of cases. My little daughter had been in bad health for some time: no medicine seemed to reach her case, or to nor some ume: no medicine seemed to reach her case, or to do her any good, until I gave her this "Intertre of Hamp-ton's, which soon restored her to robust health. I do there-fore cheerfully bear my testimony in favor of this valuable medicine, and I wish you to send me a dozen bottles, that I may always have it at hand. Yours, respectfully,

Monekton Mills, Baltimore county.

Stronger-Still Stronger Stronger—Still Stronger is Stronger to Str

Messra. Mortimer & Monobray—Gentlemen: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but, getting no better, I was induced to try your Tincture. I got one bottle, and, before I had used it, all my cough left me. Permit me also to state, that for the last fifteen years I have suffered very much from Acute Rheumstism and Vertigo, confining me, at times, to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper; and believe me yours, very respectfully.

SALEM, OHIO, 11th June, 1851.

Doctor J. C. Ayer: I write to inform you of the truly remarkable effects of your CHERRY PECTORAL in this place, and in my own family. One of my daughters was completely cured in three days of a dreadful Wiooping-Cocca by taking it. Dr. Means, one of our very best physicians, freely states that he considers it the best remedy we have for pulmonary diseases, and that he has cured more cases of Caotre with it than any other medicine he ever administered. Our clergyman of the Baptist church says that during the run of INFLUENZA here this season, he has seen cures from your medicine he could scarcely have believed without seeing.

Yours, respectfully, Yours, respectfully, J. D. SINCLAIR, Deputy Postmaster.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College. I have found the CHERRY PECTORAL, as its ingredients show powerful reinedy for colds, and coughs, and pulmonar senses.

PARKER CLEVELAND, M. D. BRUNSWICK, ME., February 5, 1847.

DR. VALENTINE MOTT, The widely-celebrated Professor of Surgery in the Medical College, New York city, says: College, New York city, says:

"It gives me pleasure to certify the value and efficacy of
Ayer's Cherry Pectoral, which I consider peculiarly adapted
to cure diseases of the Threat and Lungs."

Cures of severe diseases upon the Lungs have been effected by Cherry Pectoral in such extreme cases as warrant the belief that a remedy has at length been found that can be depended on to cure the Coughs, Colds, and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it.
